OPINION AND ORDER GRANTING MOTION FOR CONTINUANCE

On April 27, 2017, Defendant Najera orally moved for a continuance of the final pretrial conference and jury selection and trial because the Defendant had only recently provided new information to the United States. Defendant's counsel requested time for the United States to corroborate such information because it could affect the parties' plea negotiations. The United States was unopposed to the motion.

Under the Speedy Trial Act, a district court may grant a continuance and exclude the resulting delay from the time in which a trial must commence if it makes on-the-record findings that the ends of justice served by granting the continuance outweigh the public's and defendant's interests in a speedy trial. 18 U.S.C. § 3161(h)(7).

Having considered the Defendant's motion, the Court finds that the failure to grant a continuance in this case would deny counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

Accordingly, the Court finds that the ends of justice are served by granting a continuance in this case and outweigh the best interests of the public and Defendant in a speedy trial, and the period of the continuance is excluded from speedy trial computation.

The Court **GRANTS** the Defendant's motion and **CONTINUES** the final pretrial conference until May 4, 2017, at 11:00 a.m. before undersigned and schedules the jury selection and trial for June 5, 2017, at 9:00 a.m. before Hon. Nelva Gonzales Ramos.

ORDERED this 28th day of April, 2017.
